Genealogy I: Basic Research

Learn how to collect and verify what you already know of your family origins. Ernie Christensen, an expert in genealogical research, will help you discover where to look for additional records; how to obtain and search the records; how to use the information; and how best to organize research information using Pedigree Charts, Family Group Records, and Research Logs. Christensen has been doing genealogical research for over 30 years. He has held extensive training seminars on the research process, data acquisition, and management of research data. Requirements: PC competency. Bring information on your family, including parents and grandparents. Also bring a flash/jump drive for saving your data.

Saturdays, February 20th and 27th

10:00 am – 12:00 pm

Fee: \$64

Adventure Training Center

Climb outside of your comfort zone with the Adventure Training Center at East Arkansas Community College. When you and your teammates take on our state-of-the-art outdoor challenge course, you'll learn that taking risks, both mentally and physically, most often stands in the way of achieving goals. The Adventure Training Center provides the ultimate training experience for building a successful team and improving self confidence. Participants will strengthen their communication and problem solving skills while developing their leadership potential. We tailor the level of challenge to meet the specific needs, desires and physical abilities of any group.

Training is customizable to the needs of your group.

- Corporate
- Civic
- Leadership
- Church and
- Youth Groups

Are all welcome!

"My challenge course experience by far exceeded anything I expected... today was about getting into a 'team' mode not just a 'me' mode... it was great to see what teams can achieve together."

- Jonesboro Chamber of Commerce participant
