

East Arkansas Community College Associate of Science in Business

The Associate of Science in Business is designed for students wishing to transfer into a specified bachelor's degree program in business. The program includes courses from the state minimum general education core curriculum approved by the Arkansas Department of Higher Education. At least a 2.25 GPA is required. To assist students in transferring into specified bachelor's degree programs, a statewide transfer agreement exists between EACC and several four-year institutions. There are also several 2+2 transfer agreements for students planning to transfer into a baccalaureate program. For the most updated information, see the College catalog, consult with an advisor, or log on to www.eacc.edu.
