

East Arkansas Community College Certificate of Proficiency in Education Studies

The Certificate of Proficiency (CP) in Education Studies provides recognition of completion of specific core education courses. The CP in Education Studies is designed to serve as an intermediate step toward obtaining a Technical Certificate (TC) in Education Studies and ultimately an Associate of Science in Education (ASE). This certificate allows students to earn an award after successful completion of one semester of coursework. EACC offers several Education certificate and degree options that can be found on the EACC website.
